Taste the difference

Tora Bay™

Sauvignon Blanc

MARTINBOROUGH

SINGLE VINEYARD
ESTATE GROWN
SUSTAINABLY PRODUCED
NEW ZEALAND WINE

A fresh, vibrant Sauvignon Blanc, with a definite Martinborough signature.

Ripe, tropical and floral aromas dominate the nose. The palate, a reflection of ripe fruit followed by full, long flavour.

The emphasis is on balanced texture and elegance. A mainly dry style with just enough acidity to enhance and balance the small level of retained sugar.

Drinking well now - this wine will also reward further cellaring for 2-3 years.

Serve lightly chilled.
